亞美＆野亞的戀情發展情況

♡亞美與野亞從小就把對方視為情敵，有一天她們邂逅了多聞與友廣這兩位超極大帥哥。野亞跟友廣剛交往不久就宣告分手，而亞美這邊，則是好不容易才成為多聞的女朋友。

♡多聞因著煙火大會上與沙奈的「意外接吻」而顯得鬧鬧不樂，亞美也同樣超BLUE，因為她的糗態隨著電視轉播傳遍了全國。然而憂喜兩人組卻受到電視台的青睞，上門前來邀他們上節目!?

Hello readers

Yay! I pulled off a semi all-nighter to finish this 3rd chapter! Too bad I couldn't upload it in time though. o.o

Anyways, school is about to resume tomorrow, so I probably won't be uploading any new chapters soon. Sorry! But I'll still translate every now and then while doing homework! :P

And I apologize for ch.1 of vol.6 because I noticed that I missed some word bubbles... oops

I love Adobe Photoshop, but I'm only using the trial. So when my 30 day trial expires, I might stop translating it >.< only because it is a LOT harder using just Paint Dx Just a heads up. I might still translate if I have a LOT of time.

O_o Well sorry for making you wait so long for this chapter I just have a LOT of homework so I probably won't update until a while.

I'll probably get volumes 2,3,4, and 5 by next week if not this week But because of my excess homework, I'll have to put some of the translating on hold

so I'm not sure if people want me to skip to volume 4 since someone posted the summary of volume 3 If someone has any suggestions on what order to translate the volumes, please send me a message or something

Then again Does anyone even bother reading my message on these pages? o_o

I got the translations from the english book.
So credits also go to TokyoPop.
FYI: I don't have a scanner in case you were wondering.~

I hope you enjoyed this chapter!!

Extra stuff in the volume! Hope you enjoyed it! ^o^ Lots of spoilers for the previous volumes. Sorry!~

TINAL797

Hello readers

I apologize for the long wait. Not to mention this is just an extra.

But I had a lot of homework and test recently so I didn't have the time to work on it..

I hope you enjoy this extra bit along with the quiz! :D *NOTE. QUIZ MAY CONTAIN SPOILERS!!!*

Oh and I'm going to be translating vol 4 next. Sorry for jumping around but that's the volume I'm getting next that's why. I hope you won't mind!
